Respectful Relationships & Safety	This is Where I Draw the Line (60 mins)	In this lesson, students will understand that different individuals have different emotional and physical boundaries. This lesson highlights the need to respect the boundaries of others and reinforces the importance of showing respect to the opposite sex by using appropriate words and actions. Students will examine personal boundaries from different perspectives and learn the importance of making sound values-based decisions and acting in consideration of the well-being of themselves and others.	<ul style="list-style-type: none"> understand that we strengthen our character when we commit to sound values-based viewpoints (e.g. respect for life) and decisions, and speak and act in alignment with our beliefs 	Term 2

eTeens Programme:

8. *eTeens* is a programme that was developed by Health Promotion Board, in collaboration with the Ministry of Education, to provide Secondary 3 students with accurate information on STIs, HIV and protection from a health perspective. With the formation of the Communicable Diseases Agency (CDA) on 1 April 2025, the programme would now be managed by CDA's Training and Education Division instead of HPB. *eTeens* is conducted in two segments – a mass talk segment and a classroom-based programme. The desired outcome of the *eTeens* programme is that students are empowered to make wise, informed and sensible decisions to protect themselves from sexually transmitted infectious diseases.

9. Students are taught skills such as decision-making, assertiveness and negotiation to say “no” to sex and negative peer pressure. They also learn that the impact of STIs/HIV extends beyond themselves and involves their family, and the importance of responsible decision-making and seeking help. Abstinence and upholding family values are the key messages.

At Whitley Secondary School, the *eTeens* programme will be implemented as follows in 2026:

Topics/Lessons	Programme Learning Objectives	Time Period (e.g. Term 3 Week 9)
